ON BEHALF OF THE SIGNERS
BY THE
NEW YORK COMMERCIAL

ADMIRAL GEORGE DEWEY, U.S.N.

Whereunderigned citizens of Greater New York and vicinity, in common with all citizens of the Republic, deem it a great honor to extend to you our greeting and welcome upon your safe return to the **United States**, and to express our highest regard and gratitude for your achievements for our country as **Commander of our Naval forces** in the far **East** during our recent war with **Spain**.

In the **BATTLE OF MANILA BAY** the victory gained by our forces under your command not alone brought you immortality in naval annals but it was the beginning of events destined to place our nation in the foremost position in the direction of international affairs, especially in the development of that gigantic commerce between the **West** and the awakening **Orient** which promises to be the grand characteristic of the coming **Century**. We have watched with pride and admiration the wisdom, judgment and discretion with which you have represented the interests of the **United States** during the difficult weeks which lay between your destruction of the **Spanish** fleet and the completion of the peace negotiations, and

In recognition thereof we beg you to accept, as an expression of our sincere appreciation of the supreme services you have rendered to your country, this **SOUVENIR** to which we have affixed **OUR SIGNATURES**.

The President of the United States, and
 the members of his Cabinet take pleasure
 in joining with the citizens of Greater
 New York and Vicinity in this tribute to
Admiral George Dewey
 in recognition of the valued services
 he rendered to his country while acting as
 Commander of the Asiatic Squadron during
 our recent war with Spain. ★ ★ ★ ★ ★ ★ ★
